**Today at 11AM Eastern: Eneas Biglione of HACER**

### UPDATE

You can listen to the podcast [here](#)

In today's podcast, Eneas Biglione of the **Hispanic American Center for Economic Research** talks about Tirofijo's death, and other Latin American issues.

By the end of **last week's** podcast from Cannes **Erik Svane** was surrounded by girls in bikinis.

Today Eneas probably won't be surrounded by girls in bikinis, but it'll be a great podcast all the same.

Chat opens at 10:45AM and the call-in number is 646 652-2639. Join us!

And don't forget to vote for my podcast in the Best of Blogs **Best podcast/Video blog** category.
